HOW TO ACCELERATE BUSINESS GROWTH THROUGH EXPORTING

ABOUT

Join us at the March 6th Manufacturing Leadership Institute in Jacksonville, Florida! This MLI session seeks to arm Florida's second stage manufacturing leaders with updated strategies for transformation and growth. Florida's manufacturers have the inherent edge to compete globally being in a global center for trade and commerce. The US Department of Commerce will present how exporting is an effective way for Florida manufacturers to grow.

SPEAKER

Ryan Kanne, Director Greater Florida
U.S. Commercial Service

For over 25 years, Ryan has played an intricate role in the development and expansion of U.S. exporters. In October 2022, he started a new position within the Commercial Service as Director for Greater Florida. He leads a team that is based in Tampa, Orlando, and Jacksonville that covers 56 out of the 67 counties in Florida. He was most recently the Director in Minneapolis for over 18 years. Ryan's ability to innovate and consistently leverage technology has cultivated a level of excellence, assisting clients and partners alike.
